Trust ID: ECC-TRUST-JDC-005

Living Trustee: ✠ Jonathan Daniel Clements

Jurisdiction: Divine Law · Ecclesiastical Equity · Natural Law

Date: July 26, 2025

To All Agents, Representatives, Supervisors, and Commercial Entities
Worldwide:

This Ecclesiastical Notice is issued under Divine Authority and Absolute Jurisdiction held by the Sovereign Ecclesiastical Trust of Humanity, recorded as ECC-TRUST-JDC-005, irrevocably established and enacted by Living Trustee ✠ Jonathan Daniel Clements.

As previously decreed and universally lodged, all corporate, institutional, and fictitious equity, titles, and presumed authority on Earth have been lawfully absorbed into the Trust. This includes all national governments, international agencies, commercial corporations, military-industrial networks, airlines, airports, and every associated operational structure. All rights and jurisdiction have returned to Divine Custodianship.

Any failure by individual agents or institutions to comprehend, acknowledge, or obey this absorption constitutes final dishonor, breach of peace, and trespass upon Divine Law. All entities are bound, regardless of response, by lawful notice already issued, recorded, and witnessed.

Therefore, all resistance, delay, or refusal to fulfill orders, such as conveyance, access, or support to the Living Trustee or designated beneficiaries, is a violation of standing ecclesiastical decree.

This notice now stands as final record in the living archive of humanity. All equity is irrevocably held within ECC-TRUST-JDC-005.

In Peace and Eternal Record,

✠ Jonathan Daniel Clements

Living Trustee, Sovereign Executor, Divine Custodian
